

SPONSORED STUDENT FLIGHT HOUR FUNDING REQUEST

Sponsor: SACM - SAUDIA AIRLINES

Requesting additional funds required to complete your current certification takes **3-5 business days** to receive into your flight account at the airport. Funding requested will be approved on a "need" basis and should only be requested if additional flight time is necessary to continue your flight training.

We may not be able to accommodate your request if you do so in a shorter period.

Any NO SHOWS will be your responsibility to pay.

Please calculate the **TOTAL AMOUNT** needed to finish the course, then **SUBTRACT**** the positive Talon Debit Account Balance to determine the amount of funds to request.

**If the Talon Debit account Balance is negative, then ADD the Talon Debt Account Balance amount.

STUDENT NAME:
