

**UTAH STATE UNIVERSITY
COLLEGE OF AGRICULTURE AND APPLIED SCIENCES
(CAAS) AMBASSADOR**

CODE OF ETHICS

1. Appropriately represent the College of Agriculture and Applied Sciences when serving in the capacity as a CAAS Ambassador.
2. Be prompt at all activities and functions.
3. Respect the diversity of opinion in others.
4. Uphold the ideals and principles of the College of Agriculture and Applied Sciences and Utah State University.
5. Dress neatly, professionally, and appropriately for all official occasions.
6. Demonstrate courtesy and respect at all times.
7. Refrain from the use of alcohol, drugs, and tobacco while acting in the capacity of a CAAS Ambassador.
8. Become educated and strive to educate others about the College of Agriculture and Applied Sciences and Utah State University at all times.
9. Share with others the experiences and knowledge gained by attending activities sponsored by this organization.
10. Present clear and accurate information concerning the College of Agriculture and Applied Sciences and Utah State University while avoiding ambiguous, questionable, or false information about competing institutions or agencies. Ambiguous or false claims about accreditation, “national rankings”, or guarantees of employment upon completion of education or training are not acceptable.
11. Refrain from all disparaging comparisons of any other agency or institution, secondary, post-secondary, or similar institution including their programs, locations, personnel, and services.
12. Abstain from insisting or pressuring students to make immediate decisions to enroll, or make substantial down payments because of few openings.

13. Provide service to students by assisting them in matching their interests, and abilities to the appropriate institutions that will enable them to best achieve their educational and career goals.
14. Act in a professional manner when working with students, their family and their school.

I, _____, will uphold the Code of Ethics listed above while serving in the capacity of a College of Agriculture and Applied Sciences Ambassador.
