**50** STATES

**88** COUNTRIES

Since our founding in 1888 as a land-grant university, Utah State University has become a premiere undergraduate research institution known throughout the world for its intellectual and technological leadership.

# WELCOME TO UTAH'S STATE UNIVERSITY

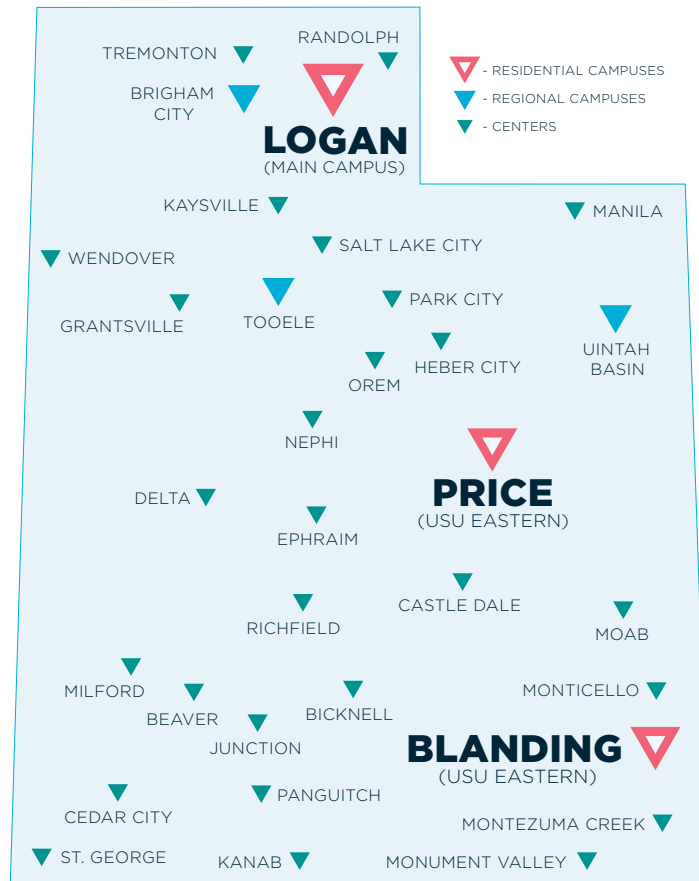

You can be an Aggie anywhere.

Over 28,000 students call Utah State home. USU's main campus in Logan provides a traditional college experience and student life. Our Eastern campuses in Price and Blanding, along with the 30 additional campuses and centers throughout Utah, offer unique programs and convenient locations.

USU-Online gives students the ability to take classes anywhere, and is ranked one of the top online programs in the nation.

No matter where you attend, your diploma will have the same three renowned words -

# RESEARCH THAT MATTERS

### SPIDER SILK

Creating synthetic spider silk to produce clothing, bulletproof skins, airbags, repair ligaments, and to prevent infection.

### GREAT BARRIER REEF

Conducting biological and ecological research in Australia to help preserve coral reefs, quantify abundances of fish and algae, and protect the ecosystems that provide food for tens of millions of people.

### AEROSPACE

We are a NASA space-grant university and the number one space research-funded university in the nation. Our students send more experiments into space than any other university in the world.

We strive to impact our community, the nation, and the world. Utah State gives students a unique opportunity to do research in almost every degree.

You won't be limited to just a classroom. From artistic expression to scientific exploration, from farmland to space—Aggies go wherever the research takes them.

## TIMELESS TRADITIONS

We stay true to our roots. Over 300,000 Aggies have passed through USU, keeping old traditions alive and starting new ones along the way.

### LIGHT THE "A" BLUE

The iconic "A" on Old Main's tower lights the sky blue after Aggie victories and on True Aggie nights.

### A TRUE SCOTSMAN

Nothing pumps more adrenaline than our song "The Scotsman," written by an Aggie in 1918.

### OLD MAIN HILL

Take a break between classes, grab your gear, and sled down Old Main Hill.

### AGGIE ICE CREAM

Aggie Ice Cream's 26 flavors have enriched diets since 1921. Voted #1 in Utah ([ksl.com](http://ksl.com)).

### TRUE AGGIE NIGHT

Stand on the "A" and kiss a True Aggie, or kiss anyone on the night of Homecoming or A-Day.

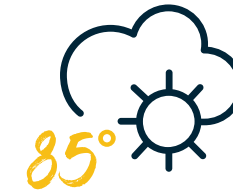

### FINALS WEEK HOWL

Bring your headphones, dance to your song, and howl away your test anxiety.
