Please answer the following essay questions and attach as a separate document. Please limit to two pages.

Describe why you would like to be a College of Agriculture and Applied Sciences Ambassador.

- Describe what qualifications, skills and previous experiences you've had that will make you a good College of Agriculture and Applied Sciences Ambassador.
- What are your hobbies and interests?

If you receive an interview, please come prepared to give a two-minute recruitment presentation geared towards high school students talking about USU, CAAS and our programs.

Please also attach the following items:

- A current résumé
- A current picture of yourself (you may not receive the picture back)

Please return your application by noon on February 20, 2020 to Lisa Allen, AGRS 416 or by email to lisa.allen@usu.edu. You can submit this application electronically or you can bring it to her office by the deadline date.
