

Designing a Resource Development Plan for SNAC

Designing a Resource Development Plan for SNAC

Ellie Miller & Emily Van Duren
Utah State University

Nonprofit Partner:

Jonathon Walters
Program Coordinator, SNAC, USU

Faculty Mentor:

Dr. Jaymes Walters
Social Work, USU

Mission Statement:

The Student Nutrition Access Center, or SNAC, is the location of USU's food pantry. Our Mission is to increase access to nutritious food while educating Aggies about basic needs, resources, and sustainable food practices. SNAC is fully supported by fundraisers, not student fees, so anyone in the USU community can access the services and resources.
