# Tenure and Promotion within the S.J. & Jessie E. Quinney College of Agriculture & Natural Resources

Congratulations to members of the S.J. & Jessie E. Quinney College of Agriculture & Natural Resources faculty who have earned promotions following tenure and promotion review.

A university's tenure and promotion process is a rigorous evaluation of faculty members' work and reflects sustained excellence in teaching, research or creative activity, and service. Achieving the career milestones of faculty rank recognizes individual achievements, and a sustained record of impact, leadership, and commitment to student success and the academic community.

Faculty are noted here by department with the title to which they have been promoted and that take effect on July 1, 2026.
