Baylee Vogler Accepts Position at Black Diamond

**By Chase Anderson | September 13,
2023**

Baylee Vogler, an Outdoor Product Design & Development graduate, accepted a role as an Industrial Designer at Black Diamond.

After an extended internship, Baylee accepted a full-time role at the climbing and ski brand and will continue to create innovative outdoor gear to help people better experience the outdoors.

Black Diamond Equipment, headquartered in Salt Lake City, Utah, is a leading outdoor gear company known for creating high quality and innovative climbing, skiing, and mountain sports equipment and apparel.
