Tommy Dalziel Accepts Position at Buck Knives

By Chase Anderson | July 20, 2023

Tommy Dalziel, an Outdoor Product Design & Development graduate, accepted a role as a Mechanical Designer at Buck Knives.

As a Mechanical Designer, Tommy will contribute to the creation of impactful new product.

He says, "I'm psyched to be working as a Mechanical Designer on the New Product team at Buck Knives! I'm so grateful for my professors and mentors who enabled me to shape my education to match my career goals. I'm looking forward to creating new "Cutting Edge" products with such a historic brand!"
