History of Gear Series: Gore Archives

By Chase Anderson | December 1,
2020

Kevin Brown, Heritage and Archives Manager from W.L. Gore & Associates, joins the History of Gear Series to talk about the importance of corporate collections, the origins of the Gore archive, and how collections are used by various departments at the company.

Brown shares how he became a corporate archivist and discusses the importance of not only preserving the past, but ensuring best practices to preserve new materials and records produced by the company.
