By Chase Anderson | February 23, 2022

Jacob Johnson, a senior in Outdoor Product Design & Development, accepted a position at Vooray as a Product Designer.

"I am ecstatic to have the opportunity to work with Vooray as a design intern! They have such a welcoming team that is populated by some of OPDD's best. I can't wait to work alongside such a solid group of people. The community that they create facilitates such a great space to learn and grow skills as a designer, so thank you to Vooray for allowing me to be part of your team!"
