# Jordan Jensen Accepts Position at Rhone

**By Chase Anderson | October 19, 2022**

Jordan Jensen, an Outdoor Product Design & Development graduate, accepted a position at Rhone as a Designer!

"Performance lifestyle clothing is taking center stage as we exit the comfy, cozy, at-home trend of the pandemic. Rhone is redesigning men's closets with innovative, performance driven essentials. I am excited to join them during a time of immense growth and push the brand 'forever forward' toward greater success."
