History of Gear Series: SAND Pack Company

By Chase Anderson | November 9,
2020

Chris Leiter joined the History of Gear Series to talk about SAND Pack Company, his creative endeavor to challenge what handmade product can be and help the history of gear live on through new product.

Leiter's company has evolved over the years and has most recently taken inspiration from historic brands. Recent designs have incorporated vintage catalogs printed on fabric and upcycled Frostline Kits.

Watch the whole presentation on [YouTube](#) or listen on the [Highlander Podcast](#).
