Sawyer Hill Accepts Internship at Segoe Ski Co

By Chase Anderson | June 8, 2022

Sawyer Hill, an Outdoor Product Design & Development student, accepted an internship at Segoe Ski Co as a Ski Production Intern.

"It's been a dream of mine to build skis for years. I began to study OPDD in hopes of opening a door to that dream. I'm thrilled to have an internship at Segoe Ski Co where I push my education to the next level through hands on learning experiences. I have the opportunity to learn every aspect of ski making and to take my personal ideas and bring them to life. I couldn't be happier with the opportunity OPDD and Segoe has provided me with."

-Sawyer Hill | Class of 2024
