Spotlight: Dr. Brian K. Warnick's Seminars at National Chung-Hsing University in Taiwan

By Peiru Chen | October 30, 2023

In a collaborative initiative spearheaded by iPACE Director, Dr. Simon Wang, Dr. Brian K. Warnick, a distinguished professor and the interim Department Head for Technical Education at Utah State University, was extended a warm invitation to share his expertise at the prestigious National Chung-Hsing University in Taiwan. From October 24th to 26th, 2023, Dr. Warnick delivered a series of insightful seminars as part of the 2023 EMI CORE CURRICULUM.

Here's a brief overview of the sessions:

- October 24 (Tue) 12:00-14:00 PM

Seminar I: Engaging Students in the Learning Process

- October 25 (Wed) 10:00-12:00 PM

Seminar II: Use of Technology in the Classroom (Including AI)

- October 26 (Thu) 10:00-12:00 PM

Seminar III: Assessing Student Learning

The efforts of the USU iPACE program were instrumental in ensuring the success of the collaborative venture. By inviting Dr. Warnick to speak, the program aimed to strengthen academic ties and promote knowledge exchange between the two esteemed institutions.

The seminars witnessed enthusiastic participation from both professors and students of National Chung-Hsing University. Rich discussions and engaging communication were the hallmarks of these sessions, with attendees gaining invaluable insights into contemporary educational strategies and methods.

The strong bond formed between Dr. Warnick and the attendees is a testament to the significant impact of such international academic exchanges. This successful collaboration further solidifies the shared commitment of Utah State University and National Chung-Hsing University to advance educational methodologies on a global scale. Such endeavors not only enhance our educational landscape but also pave the way for continued growth and innovation.
