

# 2019 Asia Pacific Climate Service Workshop

10/28/2019

Rob Gillies at the Asian Pacific Climate Workshop

## 2019 Asia Pacific Climate Service Workshop

October 28 - 30, 2019

The first workshop on Asian Pacific Climate Services addresses 'Current Trends and Future Challenges of Climate Services' and is focusing on challenges and opportunities in national and international climate services. Recent progress and accomplishments in climate applications will be highlighted. USU Professor Robert Gillies will deliver an oral presentation in a session on Climate Communications and Management.
