Dr. Chi-Chien Wei with aviation students.

## Aviation Lectures at USU Given By China Airlines' Chief Meteorologist

June-July 2022

Dr. Chi-Chien Wei, chief meteorologist of Taiwan's China Airlines, visited USU in the summer of 2022 and gave lectures about aviation weather and the carbon-neutral effort of the airline industry. Dr. Wei was invited by iPACE to visit USU's professional aviation and climate science programs.
