USU Professor Teaching Economics Short Course at NCHU

May 15 – June 24, 2019

Man-Keun Kim (Applied Economics) visited National Chung Hsing University (NCHU) as a Visiting Professor in May to teach Quantitative Analysis in Business Decision Making to students in International Bachelor Program of Agribusiness (IBPA). He explored research/teaching/exchange opportunities with faculty members in IBPA and the Department of Applied Economics at NCHU.
