

# NCHU Starts Aviation Program Collaboration with USU

12/12/2022

NCHU Vice President and Dean Fuh-Jyh Jan alongside USU participants

## NCHU Starts Aviation Program with USU

December 12, 2022

A historic signing between National Chung Hsing University and Utah State University opens more collaboration in engineering disciplines such as aviation. NCHU will also offer programs regarding biological, environmental and civil, electrical and computer, and education engineering.
