## **May 2020 USU Study Abroad in Taiwan**

**May 10 - 23, 2020**

USU students are invited to experience agricultural and lifestyle practices of Taiwan through National Chung Hsing University (NCHU) courses, field trips, site visits, lectures by experts, food demonstrations, hiking, and group discussions. Students will observe agricultural practices including visits to production farms for pineapple, cocoa, orchids and tea farms. The group will also explore the entertaining Night Markets as well as the natural beauty of Taiwan's forests and lakes.
